OUR MISSION STATEMENT

We build relationship by exceeding expectations. We cultivate partnerships that last a life time by delivering quality buildings and consistently providing exceptional client service.

OUR VISION

The Vision statement represents who we are as a company. GSA's vision is the heart we apply to every project and we do it with commitment and strong integrity. We are more invested in the spirit of community and equitable balance with our clients than short term profits. We understand that when a building is finished, it is a monument of whatever we put into it and will stand long after we are gone.

OUR TEAM

Company has excited its projects under renowned Architect and Interior Designers.

Mr. Sudhir Sharma

Mr. S.M. Jauhari

Mr. Sandeep Khera

Mr. Ravi Pundey

Mr. Kuldeep Singh

Mr. S.K. Kapoor

Mr. B.L. Chaddha

Mr. Naveen kakkar

CONSTRUCTION PARTNER

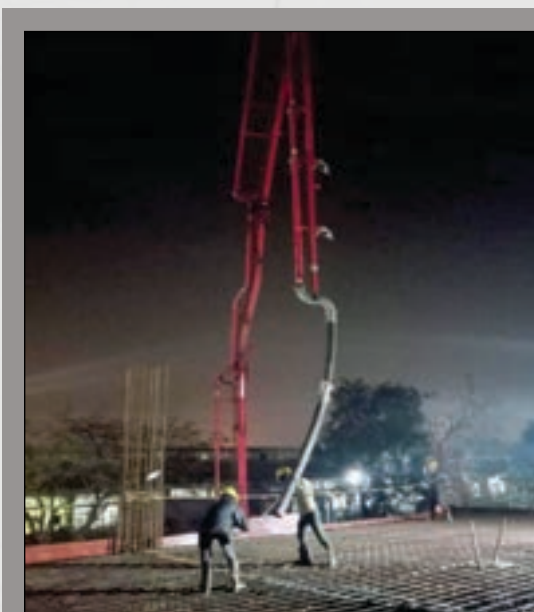

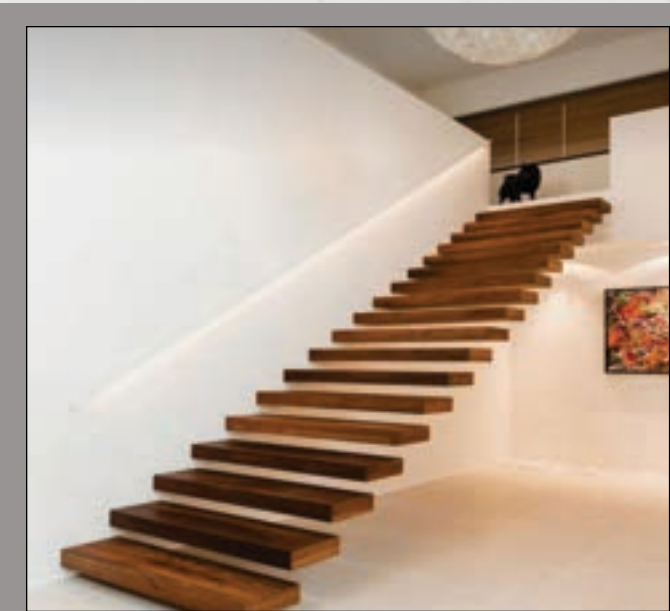

Mr. Harvinder Singh
& Arshi Mavi

Legends in the construction domain whose heritage of expertise, insight and innovation has repeatedly manifest itself across civil and structural masterpieces including factories, Schools, Hospitals, Hotels, Showrooms, Offices and Residential Projects.

SPEED TO REVENUE

The Speed to Revenue Process is based upon the belief that a construction schedule should be designed to provide the greatest value to the client. This goes deeper than a schedule which seeks simply to accelerate the overall end date. Often a phased schedule is the best way to maximize your revenue and your involvement in establishing such a schedule is critical.

COMPLETED PROJECTS

OUR CORE VALUES

“Passion, Integrity, Hard Work and Professionalism.” These words describe the characteristics each of our work sites display to the community .We have maintained these principles throughout our history and they continue to guide us an all fronts.

ESTIMATING

Our in-house estimating staff brings years of hands-on building experience and includes mechanical and electrical professionals ensuring knowledgeable, reliable estimates from which you can base your critical planning and decision making. Integrated into our estimating procedures will be all value engineering and Constructability considerations developed by the project team. From schematic design to design development and contract documents, GSA will provide a unique and accurate estimate for your project, giving you the ability to make informed decisions.
